### Hello Dear Reader,

It is that time again. Christmas is on it's way, a time to spend time with family and friends. I love the hustle and bustle of all the planning for Christmas from stir up sunday on the 20th November when we start getting our Christmas cakes and puddings ready for the big day, to planning the main event of Christmas lunch. For me that is generally around 20 people, you won't believe the amount of roast potatoes required for that many people!

Also this time of year makes me so thankful for what we have, our families, friends and loved one's and really appreciate how lucky we are to live in these beautiful community centric villages.

There are lots of activities happening in the next few months in both villages there is no reason to feel alone when there are so many coffee mornings, gardening society meetings, Fuchsia groups, Womens Institute meetings, church services and the list goes on. All of these groups and activities rely on volunteers to pull off the meetings, events and day to day running of these organisations. To those of you involved in any way as a volunteer I would like to offer my sincere thanks, our communities very much appreciate you.

If this is a time of year that you dread there is always someone to help from the amazing teams of volunteers at both Send Help and Ripley Good Neighbours, give them a call, they are all there to help and support.

It really has been a scary year so far with the invasion of ukraine, the interesting actions of our government and the shock of increasing household bills rising at such a fast pace and the threat of a recession for next year, it really seems all gloom and doom. Smith's charity are also here to help this Christmas for those struggling financially, see page 26 for more details. Here is to a better more positive 2023!

On behalf myself and all of the hardworking volunteer team and Distributors here at Ripley and Send community publishing association I would like to wish you and your loved ones a Very Merry Christmas and a Happy and Properous 2023!

After our long hot summer, the Green and surrounding woodland and countryside are slowly recovering but we still need a lot of rain this winter to restore the water table to a more sustainable level.

Having said that, we sincerely hope that we do not encounter heavy rain on Sunday 4th December for the Ripley Christmas Fair, which will again be located on the Green. The Christmas Fair is a project that has developed over the past 12 years in order to fund the beautiful tree lights throughout the High Street. Please give this event your full support, buy your raffle tickets and Christmas cards (designed by children from Ripley Court School) and shop at over 90 stalls. Each year to date we have successfully raised enough profit to adequately fund these lights but costs have risen dramatically this year (the lights are required to be installed by the team from the Borough Council and they have increased their invoice substantially, albeit for the first time in 12 years).

We are very grateful to the many local businesses who have generously donated prizes for the raffle or donated money directly for the cost of the lights. We would particularly like to thank Ripley Farmers Market, Wills and Smerdon and Charybdis Developments for their kind support.

The Parish Council hosted another successful Volunteers Evening at the Cricket Club in October, where we introduced more newcomers of the village to the many different groups and event organisers that are part of our community. If you would like more information on volunteering, please contact Jim the Clerk at the Parish Office, which is located in Victory House on the High Street. Jim's new office hours from January will be Wednesday, Thursday and Friday 10-6pm or please email clerk@ripleyparishcouncil.gov.uk.

In May 2023 there will be elections held for the Parish Council for the next four year term. Please contact Jim for further details for this very rewarding voluntary role that enables you to directly contribute to the running and well-being of your community. If you've ever wondered what we do or why we have made decisions with which you disagree (or even approve!), this is your opportunity to find out and make a difference to your village. On behalf of the Parish council we would like to wish you a Merry Christmas and Happy New Year.

Suzie Powell-Cullingford Chairman

### RIPLEY PARISH COUNCIL

Ripley Parish Council members assembled on The Green on Sunday 11th September to Proclaim the new King.

### The Proclamation

We come together this afternoon following the passing of our late Sovereign, Queen Elizabeth the Second. Our sadness at this time is shared by people across the globe, as we remember with affection and gratitude the lifetime of service given by our longest-reigning Monarch. But the basis on which our monarchy is built has ensured that through the centuries the Crown has passed in an unbroken line of succession. Today's ceremony marks the formal Proclamation to the people of the Parish of Ripley of the beginning of our new King's reign. Yesterday the Accession Council met at St. James's Palace to proclaim our new Sovereign. The flags which had flown at half mast since The Queen's death were raised briefly to their full height to mark the start of His Majesty's reign. The Accession Council also made an Order requiring High Sheriffs to cause the Proclamation to be read in the areas of their jurisdiction. The High Sheriff of Surrey discharged that duty earlier today and now, with my humble duty, I now bring the words of the Proclamation to the residents of the Parish of Ripley.

Ladies and Gentlemen. The Proclamation of the Accession. Whereas it has pleased Almighty God to call to His Mercy our late Sovereign Lady Queen Elizabeth the Second of Blessed and Glorious memory, by whose Decease the Crown of the United Kingdom of Great Britain and Northern Ireland is solely and rightfully come to The Prince Charles Philip Arthur George: We, therefore, the Lords Spiritual and Temporal of this Realm and Members of the House of Commons, together with other members of Her late Majesty's Privy Council and representatives of the Realms and Territories, Aldermen, and Citizens of London, and others, do now hereby with one voice and Consent of Tongue and Heart publish and proclaim that The Prince Charles Philip Arthur George is now, by the Death of our late Sovereign of Happy Memory, become our only lawful and rightful Liege Lord Charles the Third, by the Grace of God of the United Kingdom of Great Britain and Northern Ireland and of his other Realms and Territories. King, Head of the Commonwealth, Defender of the Faith, to whom we do acknowledge all Faith and Obedience with humble Affection; beseeching God by whom Kings and Queens do reign to bless His Majesty with long and happy Years to reign over us. Given at St James's Palace this tenth day of September in the year of Our Lord two thousand and twenty-two. 'God Save The King'

#### SEND PARISH COUNCIL

### Hi Everybody,

At the moment, we are facing changes and new challenges in our daily lives and I am sure that I am not alone in finding this difficult to deal with. I am therefore so thankful that in Send Parish we have so many vibrant, energetic and enthusiastic community groups supporting anyone who needs a helping hand: it's really heartening knowing that there is so much support for anyone struggling and it makes Send a truly caring place to live. As I think you already know, Send Parish Council has provided grants for community groups working in the village.

Looking forward to (hopefully) more positive times, May 2023 is going to be busy as we look forward to the coronation of King Charles III. We now know that the coronation will take place on Saturday 6th May and we will be shortly looking at how the village can join in the celebrations. Please do let us know if you have any ideas as to how you think this historic day could be marked. We haven't yet started our discussions but we would be delighted to consider any of your ideas.

On 4th May we will see local council elections taking place, as part of which you will have the opportunity to vote for nine Parish Councillors who will serve for four years. We have some amazing new projects in the village, which include major improvements on the recreation ground (which is linked to the provision of a new community hub). We are therefore looking for candidates who are prepared to stand in these elections, bringing in new ideas and energy to take forward this and other initiatives. After serving for nearly 8 years, I can say that the role of Parish Councillor for our village is highly rewarding ....although admittedly it is demanding! I am sure those elected will really enjoy the experience. If you are interested and would like to have an informal chat, please contact our Parish Clerk, Nichola, for more information.

You may have seen, or will shortly see, drilling equipment in the new cemetery on Send Hill and may have wondered what is going on. We are not seeking oil or fracking for gas! Over the past two years we have become aware that the ground water levels in the new cemetery have risen dramatically, particularly in the winter months.

### SEND PARISH COUNCIL

Exploratory work has not identified the specific cause of the problem, but we think it is due to a geographical change in the sub-soil. During November our specialist contractor will be drilling holes in the new cemetery to help identify the source of the problem and the suitability of their drainage system to lower the high water levels. We have all fingers crossed and hope we will be able to resolve this once and for all.

Calling any of you with green fingers! We have been given 70 trees to plant in the village in recognition of the Queen's Jubilee. They will be delivered in December and planted throughout the village in specified sites. We are planning a Community Planting on a Saturday in December and already have names of a few villagers who would like to volunteer.

f you fancy some pre-Christmas exercise and love the idea of making Send even greener, do come along! More spades make more holes... please do help if you can. With many thanks as always to all of our sponsors, our Christmas lights will be turned on Saturday 26th November....and we hope that this brings some much needed colour and Christmas spirit to the village.

On behalf of everybody at Send Parish Council can I wish you all a very Merry Christmas and the fervent wish that 2023 is a lot more fun that this year has been!

#### CHURCHES

# The Parish Church of St. Mary the Virgin, Church Lane, Send Penalties and Peace?

by Tony Shutt, Priest-in-charge, St Mary the Virgin, Send

The FIFA World Cup Final is due on the Sunday before Christmas, kicking off at 3pm UK time. Some churches plan to host screenings of the game. Will football carols rise from the terraces of the pews? 'Once in Real Madrid's City'? O Little Bethlehem Town FC? 'In the Bleak Half-Time Talk?

Football fandom abounds with adulation when teams are doing well, but frustration is only ever a missed goal or defensive error away. Meanwhile insult is not unknown. In one meek and mild example Chester fans sang, "Away in a manger, no crib for a bed, the little Lord Jesus woke up and he said, We hate Wrexham." Though mythologised, there are credible reports that on the Western Front at Christmas 1914 lanterns and fir trees were placed along trenches and carols were sung. British and German soldiers met in no man's land, exchanged gifts, took photographs, and some played impromptu games of football. The local truces didn't last, but they consoled a yearning for peace.

The gentle Christmas miracles of birth, light, and hope, with the rituals and songs we employ to evoke their remembrance and wonder, have unexpected power to bring us to our senses in the isolated dugouts of our endeavours.

To our raging appetites for selfish, futile and merciless tribalism the Christ child presents us with treasures of vulnerability, humanity, and reconciling love, while stadia of angels urge us towards a charity exhibition match and penalty absolving kick-about of peace on earth, goodwill to all.

In our last update we reported that our vicar, Rev Chris Elson, retired in August. We continue during this period of vacancy to work towards seeking and recruiting a new incumbent, a process that is likely to take us into 2023. We are continuing to explore the best ways that the church can serve and support the community and be at the heart of the community.

As part of the process of recruiting a new vicar, we will be asked to describe the 'profile' of the parish for potential applicants. If you would like to know more about this – or to contribute your ideas – then please email us at the above address. We are very keen to hear the views of interested members of the community regardless of church attendance!

We continue to meet every Sunday morning at 10am for a service everyone is welcome!

The services are led by a mix of visiting vicars and members of the community, depending on the service.

1st and 3rd Sunday of the month: Communion 2nd Sunday of the month: Family service with children's activities

4th Sunday of the month: Service of the Word (traditional but no communion)

Our special Christmas services will be

Sunday 4th December 4.30pm – Christingle (particularly suited to children)

Sunday 18th December 6:30pm - Carol Service

Sunday 24th December .pm – Crib service (particularly suited to children)

Saturday 24th December 9:30pm Last Communion of Christmas.

Sunday 25th December 10:00 Christmas Day Service

Do join us for any or all of these services over the festive season.

Updates for other seasonal events and activities are published on our website. www.ripleychurch.org.uk, Please see the website for information on free Christmas crafts for children and an Advent nativity trail.

If you are interested in being baptised or married in the church please email churchwardens@ripleychurch.org.uk. We would love to help organise this with you.

Sunday morning service – 10.30am

We meet for morning worship every Sunday from 10.30am. The service lasts from 75-90 minutes, and includes songs (a mixture of old and new), Bible readings, prayers, a kids' talk, and a sermon. Everyone is welcome, whether you've been to church a thousand times or never before! We love having visitors, and over the years, many visitors have become faithful regulars. There is no dress code you won't be out of place in jeans and t-shirt.

We continue to have no COVID restrictions in place. However, some people prefer to sit in our church hall (adjacent building) to watch a live feed of the service, where we encourage people to be socially distanced and wear masks.

We have a Sunday school (Treasure Hunters) which on average runs three Sundays a month during the main morning service – email our assistant pastor Kurt for more details.

We also have an informal crèche available in our adjacent hall for those with babies and toddlers.

You are also welcome to join us for our evening services at 6.30pm which take place most Sundays.

Other activities -

Our toddler group Little Lambs takes place on Thursday mornings from 10:00 - 11:30 during term time at our church. It is a relaxed group where parents can enjoy refreshments and conversation with other parents while their children have the opportunity to enjoy a wide range of toys and activities, as well as snacks. It runs on Thursday mornings For more information please email Val at littlelambs@sendec.org.

If you have teenagers, we would love them to join us on Friday evenings from 7.30-9pm, during term-time. We have a lot of fun each week playing a range of games (including table-tennis and pool), eating tasty snacks, taking part in Bible-based group discussions and going on outside trips like bowling, Laser Quest etc. Again, email our pastor Kurt for more info.

Finally, we will have a range of Christmas activities that will take place in December. Further details will be available on our website www.sendec.org over the coming weeks.

### Send Scouts

Firstly, a massive thank you to all who helped out at village fireworks on 5th November. It's a highlight of our year, and a very important fundraiser for the Troop, but it simply couldn't be done without the legion of parents, Leaders and other volunteers who help. So thank you to the cake sellers, bucket shakers, turf cutters, bonfire builders, marshals and so many others. And to our sponsors, Alfiam Building Supplies and Seymours in Ripley, your continued input into our village life is hugely appreciated.

Cubs and Scouts recently helped at the Harvest Festival in church, taking the opportunity to tell the congregation what they'd been up to and renewing their Promises with the new version to the King. All sections have respectfully learnt about succession and look forward to the coronation in due course. The Troop also joined representatives of the school, Rotary and other village organisations for the annual Remembrance Day Parade on

12th November.

It's been a busy time for the Troop and we continue to welcome new members. If any boys or girls aged 6-8 (Beavers), 8-10½ (Cubs) or 10½-14 (Scouts) want to find out more about the million activities they could get involved in, please visit www.sendscouts.co.uk. Equally. the more Leaders who commit to helping, the more children we can accommodate. It's worth remembering that Leaders have as much fun as the kids - they're all big kids! So if interested, get in touch – we'd love to hear from vou!

#### Send Help celebrates 25 years!

Send Help celebrated 25 years of service to the local community with a tea party for our clients, who were entertained with some wonderful Barbershop singing and enjoyed a delicious spread of sandwiches and cakes provided by our volunteers. Lynda Newland, the chair of Send Help, said a few words of thanks to everyone, in particular to Lorna Cave who founded this much used service back in 1997.

We are a local voluntary group which offers services such as transport to medical appointments, social activities, shopping, prescription collection and befriending calls.

The service is available to anyone in the Send area, young or old. We will visit first to see how we can help.

Many of our clients comment on how vital the service is, particularly if they are not able to drive or don't have family or friends nearby who can help.

We are totally dependent on our volunteers, and would like to encourage others to join us in this important work as drivers and/or duty officers. The time volunteers give is individual and varied to fit around their other commitments.

If you would like to know more about what Send Help can do to help you, or to find out more about volunteering, please don't hesitate to contact us, we would love to hear from you.

In the meantime, we wish you all a Merry Christmas and a Happy New Year.

Here for you; our focus on patient engagement and communication. All of us here at the Villages Medical Centre are committed to delivering the highest possible standards of care and service to our patients. And a recent lpsos MORI patient survey reported that we have scored a very impressive 91% when it comes to overall patient experience. This is an excellent achievement and a reflection of the satisfaction felt by you, our patients. Given the continued pressures we are under and the on-going negative media coverage facing GP practices, this result is all the more pleasing. In addition to this survey, we appreciate greatly the support and kind words we receive from so many of you, either in person, via our website or in the many letters we receive. Here are some examples of what people have said about us; friendly, welcoming, caring, professional, helpful, quick to respond, excellent care givers, efficient, thoughtful, compassionate, knowledgeable and willing to go that extra mile.

So, we want to build on this momentum and increase our engagement and communication with you all. This will ensure we stay top of our game and are here to support you as and when you need us.

With this in mind we have recently launched our very own Facebook group and are working closely with our Patient Participation Group to collectively increase and improve our communication with you. We feel that Facebook is an easy way to share general updates from the surgery as well as tips and articles we feel might be beneficial for our community's health and well-being. So, in addition to tackling general topics as wide ranging as mental health, getting fit, CPR and cancer concerns, we will be talking about people and activities such as flu clinics we are running and general news and updates from our team.

We would be delighted to have you follow and share our page, so you, your neighbours and local friends can keep up to date with what's new and who's who here at The Villages. Please visit us on www.facebook.com/TheVillagesMedicalCTR and follow our page. And we will be running a prize draw for new followers. So, follow us today to be in with a chance of winning a tasty (and healthy) prize.

We look forward to seeing more of you join our online community and of course we are always here to see or talk to you whenever you need.

## Villages PPG

The autumn has been a busy time for the PPG. We had a stall at the September Farmers Market providing information on who we are, advising on the need to keep hydrated and helping people to do just that with bottles of free water. It was lovely to meet so many patients and receive feedback and comments. An added bonus was that patients were able to book flu jabs for the Big Flu Day.

On the Big Flu Day the PPG were there to support the clinical staff and provide a cup of tea and cakes for patients who had received their jabs. Just a reminder if you are eligible for a flu jab and haven't got round to having it yet please contact the surgery on 01483 226330 to book. Likewise if you are eligible but haven't had your Covid jab please contact the national booking service by dialling 119 or online at www.nhs.uk

WEDNESDAY COFFEE MORNINGS IN RIPLEY CHURCH ROOM FROM 10AM - 12 NOON

Come and meet your friends and make new ones - enjoy a cup of coffee or tea and a homemade cake.

LIFTS EASILY ARRANGED!

Finally some great news! In September the trustees were awarded £586,000 from Surrey County Council Your Fund towards the rebuild project. Many thanks to all those residents who took the time to complete the online questionnaire in support of the project, it made a difference to our bid. At the time of writing we are also finalising the legal agreement for the payment of £600,000 from Guildford Borough Council from the Garlicks Arch development S106 monies. We have been relentlessly pursuing these funds for nearly 3 years and whilst we always remained optimistic, it is a huge relief to have secured the money.

Meanwhile, we have been making final revisions to the architect plans which are now being submitted to contractors for the tender process. The trustees are anticipating that construction will commence in Spring 2023 with a build time of 12 months. Much of the site will be fenced off for safety but adequate parking will still be available for Victory House during this phase.

Victory House is proving to be very popular as a small hall available for hire, seating 45 comfortably. Many local groups are already making regular bookings and enjoying the smart new facilities and warm environment, now also benefitting from air conditioning. We are also open to suggestions for utilising the hall as a shared work space for individuals who are "working from home" or to use the hall as a private meeting room given the ideal location close to the A3/M25 with parking facilities. We would love to hear from you so please contact info@ripleyvillagehall.org.uk for details.

Happy Christmas from Ripley Farmers' Market and thanks to everyone who has supported us this year.

We're hoping to finish a successful 2022 for the market and our traders with a great pre-Christmas market on 10 December. There will be extra stalls selling their festive produce, wreaths and presents for that 'hard to buy for' person. Make sure you join us!

We will be in our usual position for the Xmas market near the High Street but due to the wear and tear of the Green throughout the year, the parking will be on the field opposite the Dunsborough entrance on the Milk Road. The market will then move to the area next to the playground for the early months of 2022, prior to reseeding our usual area in the spring ready for our return in April/May. We are conscious of the need to keep the Green as green as possible and are working with the parish council and others to achieve this.

We look forward to a successful monthly market in 2023. Please support us and the large variety of stallholders we have between 9 and 1pm on the second Saturday of the month right throughout the year.

Happy New Year from Ripley Farmers' Market volunteers!

"The manager and his staff are endlessly helpful, going the extra mile to provide the best care possible."

"My mother looks forward to her weekly visits by her carer and very much enjoys her company and the stimulation."

# **Smith Charity**

# DO YOU KNOW SOMEBODY WHO COULD DO WITH SOME EXTRA MONEY AT CHRISTMAS?

John Smith was born in the 1500's and died in 1627, he was considered a tramp towards the end of his life as he used to travel with his dog and sleep on friend's couches. In fact, he had been at one time, mayor of a London borough and was a silversmith. He left a great deal of money and it was left in trust for any village who had showed him kindness during his travels and Send is one of those villages.

If you live in Ripley ring Geoff Richardson on 01483 225322. If you live in Send ring Lorna Cave on 01483 222224. All details will be treated with complete confidence.

It only remains for me and my fellow trustees to wish you a very happy Christmas and a happy New Year.

# RIPLEY GOOD NEIGHBOURS

# OPEN MONDAY TO FRIDAY 10 A.M. - 12 NOON

# 01483 210007 WHAT DO WE DO?

We aim to offer any support a good neighbour might offer.

For example: Help with transport, shopping, collecting prescriptions, dog walking, and any other odd job, within reason!

### WHO CAN USE RIPLEY GOOD NEIGHBOURS?

Anyone in the Ripley area - young and old alike. But please try to give us as much notice as possible so we can find a volunteer to help.

### WHAT DO YOU HAVE TO DO?

Ring 01483 210007 and leave your name and telephone number. The Duty Officer will contact you as soon as possible during opening hours

When you speak to the Duty Officer just explain what help you need and when you need it. We will then try to find a volunteer and then let you know if we have found someone to help

### WHAT DOES IT COST?

Help is free but if you can make a donation to help with transport costs we would appreciate it.

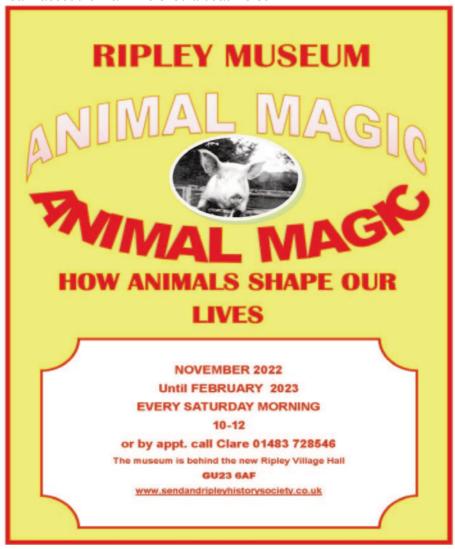

### **WOULD YOU LIKE TO BE A VOLUNTEER?**

Just call 01483 210007 and we will give you details. Being on the list commits you to nothing as you can always say no if helping is inconvenient.

ANIMAL MAGIC - How animals shaped our lives.

Starting in early November we have a new exhibition with animals at its heart. Check out the mammoth tooth; consider all the ways that horses have made a difference; the milk that really was local, from cows grazed on the Green; the pigs that were transported in a three-wheeled car and learn about the man who shod a dead horse!

## 26 January 2023 on Zoom

The Unfeathered Bird: From Art to Zoology, a Story of Evolution – an illustrated talk by Katrina von Grouw, University of Cambridge. Katrina discusses evolution and adaptations in birds, as well as her personal evolution from artist to scientist. Informative, inspirational, and often very funny, she talks in particular about her 25-year journey to create her magnum opus, The Unfeathered Bird.

23 February 2023 on Zoom The Natural History of Upper Teesdale – an illustrated talk by Andy Sands.

Andy has been photographing wildlife for over 30 years, specialising in British subjects. He has had a life-long interest in natural history and his subject knowledge will come across in the presentation. Upper Teesdale is a place Andy has visited on many occasions over a 20 year period. It is an area of outstanding natural beauty, primarily upland farms and hay meadows surrounding managed grouse moors. The ancient hay meadows have a rich flora unequalled anywhere in the UK. The talk covers the wildlife of the dale mammals, insects and birds as well as the habitat of the area.

#### RIPLEY AND DISTRICT HORTICULTURAL SOCIETY

Our ANNUAL SHOW was very well supported again this year and afternoon visitors enjoyed the display of vegetables, flowers and fruit as well as refreshments in the sunshine. Our competition plant this year was a chilli and the entries looked spectacular. Natalia Prykhodko, from Ripley, took some fabulous photos. Many gardening clubs have stopped their shows, hastened probably by the Covid restrictions in village halls. However, Covid prompted us to look at how the Show was organised and we now have a new format which works very well. Although only members can enter, it is a very enjoyable afternoon for visitors.

Our coach trip to KEW GARDENS was very well supported. We haven't had a coach trip for a while and we had a lovely day with good weather.

Our members had the opportunity to purchase half price seeds from Kings Seeds in September, a tremendous saving. You don't have to buy many packets of seeds to save the annual membership subscription!

Our Christmas Wreath making workshop will have taken place in November.

We are marking the Queen's Platinum Jubilee year by donating an apple tree to the Commemorative Community Orchard, which is between the graveyard and the Nature Reserve in Ripley. Sadly, the original apple tree did not survive and this is a replacement.

We have an interesting programme of events for 2023 with something on every month. We hold speaker meetings in February, March, October and November which are free for members and £3 for non-members. In May we hold a coffee morning and plant sale. During the summer there are local garden visits. The Annual Show is on the last Saturday in August. We strive to be as inclusive as possible and hope that everyone benefits from membership regardless of their horticultural knowledge or gardening ability. If you are interested in any aspect of plants, gardens or growing, do consider becoming a member. We have a WhatsApp group which is great for sharing photos or getting advice from other members.

Our membership year starts again in January and is only £7 per household. If you are interested in joining Ripley & District Horticultural Society, please contact our Membership Secretary Jan Jewers, or myself. During the past three months we have made many donations to worthy causes; the major ones to Woking Strokeability, who support local people who have suffered a stroke, and the Villages Medical Centre Patient Participation Group. We have also run two free first-aid courses to train people to use the defibrillators we have installed in Send.

We now need to replenish our funds and we again sponsored the successful Send Get Creative craft fair in October.

This year we plan to again run the very popular Santa house-to house collections in Send in December; 12 December Burnt Common, 14 December Send Hill, 15 December Send Marsh.

This can only be carried out with the help of our volunteers. If you can spare a couple of hours in the evening and would like to take part in this very rewarding activity, please contact me. Rotary Santa will also be at the Farmers Market and outside of Ripley Coop in December.

While the Rotary Club of Ripley & Send support many local organisations, Rotary is the largest and most successful global humanitarian service organisation with 1.4 million members worldwide.

If you are interested in any of our Rotary activities and would like to know more please contact me at gillcolbeck@aol.com.

We are delighted to advise you that the Department for Education (DfE) has decided not to make a Section 554 Order, requested by Guildford Diocese – meaning that control of the site remains with our local trustees and community.

Thank you so much to each and every person who made an objection – we are so grateful. The overwhelming support from our community no doubt played a large part in informing the DfE in their decision to not make a Section 554 Order.

We remain committed to securing primary education on the site for future generations. More info on our next steps will follow shortly!

As I write this editorial, less than a week after the event, the weather is foremost on my mind and whilst it is still raining outside, I look back to last Saturday, no rain and balmy temperatures in the mid 20s. The weather was also kind to us for the four weeks of building and preparations, although we did have one Sunday morning which was a complete washout, for which our band of bonfire builders worked on through, even the tractor was having to work with headlights on.

Events like ours do not just happen and I would like to thank all those involved in putting on a tremendous evening, especially after three years of absence. In particular I thank the following individuals; the Bonfire Builders, the Marshals, the Collectors, those manning the two car parks, the Committee and those that assisted us in a variety of ways. Thanks also go to our Sponsors, our Advertisers, the Traders, Dynamic Fireworks for a fantastic display and of course the Bensons Family.

With our costs rising considerably from previous years, it was essential we had a good evening and whilst we are still counting and preparing our accounts, I am pleased to announce that our main source of income, the street collections made just short of £10,000, a fantastic effort by our collectors, but more importantly a tremendous display of public generosity, for which you the residents of Ripley and Send I sincerely thank you, it really does matter.

As a result of your generosity we shall be able once again to support some of our village organisations, as well as hopefully our nominated charities, Woking Hospice, Surrey Air Ambulance, S.E.R.V. and S.S.A.R.

I am also sure that in the coming months we, as a committee, shall be having discussions about next year's event and with the prospect of costs rising even further, for which we are already expecting a rise in the cost of the fireworks of around 40/50%, our reserves are essential to the future of this event as is your continued support.

Again thank you for your generosity and support and hopefully see you on Saturday 28th October 2023.

Steve Hill, Chairman Ripley Bonfire Association.

#### SEND GARDENING SOCIETY

In August, we met for our annual garden picnic in a member's garden. The sun shone and members sat amidst a beautifully maintained and established garden whilst sharing food and drink – a lovely way to spend a summer afternoon.

In October, the wreath making demonstration went extremely well and all workshop attendees went home with an impressive personalised wreath. The tutor distributed detailed printed guidance notes to be used as a recipe for future wreaths for any occasion. It was a very enjoyable and social evening and we were all delighted to learn a new skill.

The AGM on December 7th followed by our Christmas Social and Quiz will be the final meeting from the 2022 programme.

Looking forward to 2023, our first meeting in February will be a talk on Summer Bulbs by Tim Woodland. Tim runs a bulb sales company and also works for a Dutch bulb company so has plenty of current knowledge and

#### Wednesday 1st February:Summer Bulbs by Tim Woodland

Put this date in your diary now – having been postponed from previous years due to covid restrictions – this long-awaited event promises to be an inspiring evening that may revitalise our summer planting schemes and give them new appeal.

Would you like to meet up once every 2 months with fellow 'gardeners' for a sociable and interesting evening out? We are looking for new members to join our society. We are a friendly bunch of amateurs who are always learning about gardening in all its forms and sharing local knowledge. Whether you have a window box or a vast area of land, please come and join us and share our passion. Club membership is neither expensive nor in any sense exclusive (£5 per person or £8 per household per year). We offer a varied and interesting programme of talks and demonstrations by well

qualified guest speakers covering a wide range of topics, with an opportunity to put your gardening questions to the expert. These are also great social events where we talk gardening and trade seeds or gardening magazines. In the summer we arrange visits to places of gardening interest.

We can be reached by e-mail at sendgardeningsoc@btinternet.com, by phone on 01483 223952 (Chairman Robert Harding-Payne) or by coming along to one of our bi-monthly meetings which are at 7:30pm in the Church Rooms. We now even have a page on Facebook! Our meetings are open to visitors and our members are a broad spectrum from experienced to

novice. We are known as a very friendly club and look forward to welcoming new members. So do come along and see what we are about – Linda Davis Committee Member.

#### Down Your Wey

Since being off my feet for a while with a fractured ankle, it's been nice to get back to the river and catch up with all the trees, people and dogs I'd been missing. If I had to choose a time to be out of action, I suppose a very hot, dry spell was the best option. I am so grateful to my super-volunteer and colleagues for holding the fort. Just as I came back things sprung back to life with a vengeance. I've been doing my best to keep things under control.

Autumn is now in the air but after the unusual summer, it's hard to know what the season will bring. Those with boats and sleepless nights from the falling acorns will attest, there are definitely enough to keep the squirrels and jays very well fed this year. After not having any at all last year I'm sure they will be glad on the glut. I am always amazed the levels year to year fluctuate as much as they do but it keeps the predators in check and ensures there are never enough mouths and beaks to prevent a new generation of trees.

Those of you who regularly visit will see that the fish pass is now up and running. All the planting has settled in nicely and the plan is that the fencing will be removed in time. Following recent testing and tweaking the inlet levels, even following the drought, we are able to manage the water levels to keep it active. I can't speak to the fish levels yet, it is too early for that data, but the swans clearly love it. They have been hanging around almost every afternoon since we opened it. I hadn't seen them in a while and now I get to say hello every day which is lovely.

Emma Goodwin 07786 703834

Emma.goodwin@nationaltrust.org.uk

It continues to be a bizarre year weather wise and the current mildness for the beginning of autumn just doesn't feel quite right. The trees have been turning slowly with the willows, limes and hazels being some of the first to offer some yellow hues. The alders and oaks, which make up most of our trees will not be far behind. Usually, we would be expecting cooler weather to be ending the growing season soon but there doesn't seem to be any indication we can pack the mower away for some time.

My work seems to have adjusted this year a little as the Pennywort has migrated up onto my length. Floating Pennywort is an invasive plant that spreads over the water's surface and can block the river if not managed. It spreads upstream by getting snagged on boats or portable craft and fishing equipment. A small fragment can regrow into large rafts, so it is difficult to fully control. It has spread into the reeds from Papercourt right the way up to Send and I have had isolated patches near Worsfold too.

My volunteer group has been helping me keep the lock sides tidy and we have just begun some of the winter tree work on the non-towpath side and canopies over the towpath up towards Sutton Place. This clears the sightlines and maintains a good width for boats and towpath users. Soon we will be pollarding half the willows at Triggs, Papercourt and New Inn, to makes sure the crowns don't get too heavy and promote new growth next year.

Hope you have an enjoyable festive season and see you on the river. Chris Charman 07786 703833

The third Get Creative event in Send, held at the Lancaster Hall on Saturday 29 October, was deemed a success by the organisers, visitors and stall holders alike!

This year there were even more tables to buy from, many of them with crafted items suitable as unusual one-off Christmas gifts. And there were more activities for visitors to get hands-on and create something of their own!

The figures can do the talking:
Unlimited enjoyment!
4 MCs to keep visitors updated
18 stall holders and their assistants
Between 200 and 250 visitors estimated
Around a dozen front of house volunteers

Perhaps a baker's dozen of home baked cakes and tray bakes on offer 7 thirty-minute demonstrations as well as some activity at stall holders' tables

One stall holder said that there was a nice atmosphere and that it was great to have so many crafting opportunities and a kids' table. Another noted, "There was a good range of crafts on display avoiding duplication". And several of them said they were looking forward to being invited back next year!

A group from Woking U3A's Singing for Fun group sang us out with a medley of Goodbye songs. One of our regular stall holders from Send said, "It's a real village day and lovely to see so many familiar faces; and loved the sing song!"

The Rotary Club will distribute the proceeds of £643 to local charities and organisations.

## Ripley Business Association

It has been a busy year for the committee, with many new initiatives from our first Parish day to test the waters to organising all the additional decor throughout the many celebrations which have taken place this year. We have lots of things to come in the next few months. We will be providing additional Christmas decorations throughout the village once again.

The first Parish day was a success and we are currently planning next years to be bigger and better. With this in mind we are going to be doing an auction with Ewbank's auctioneers to make sure we can once again provide this as a free event for the village. Please check out our social media channels to get involved and help keep this free of charge. Instagram and Facebook both 'Ripley village surrey'.

We now have 24 businesses as members and two new members who will be added to our website in due course.

#### SEND VILLAGE CLUB

It seems like the year has gone by very quickly, it has been great to host members parties and have club events. On the 19th September we had 'Send Grand National' hosted by Hughie, absolutely brilliant evening raising £100 for Farncombe Day Centre.

Unfortunately the club required some prompt and costly attention to the roof over the cellar and committee room which we are pleased to say has now been completed. We have also undergone an upgrade to our cellar and dispense equipment which was long overdue.

We are continuing to put together events for our members. Our regular monthly bingo is very popular we have introduced a snowball cash prize and raffle a free bingo book for one lucky player next time. Looking forward to December on the 3rd we have live music from Decades, on the 10th Bingo, on the 17th Christmas Raffle, on the 24th Christmas Eve disco. We will finish the year with a New Years Eve party on 31st. Our Christmas week opening times will be displayed on the noticeboard and on our Facebook page along with all event information.

We also welcome back our dart teams for the new season and wish them luck.

Memberships for 2023 will fall due on the 1st January, new members always welcome.

Finally thank you to all our members who continue to support our efforts and use the premises. The Committee are a voice for every member and are always happy to receive ideas, comments and help.

#### Horsley Choral Society

Horsley Choral Society Christmas Concert - Rejoice!

Horsley Choral Society will be performing Handel's Messiah Pt I together with Christmas carols for all on Saturday 10th December at St Andrew's Church, Cobham. The choir will be joined by four wonderful soloists; Jane Searle (soprano), Elizabeth Searle (mezzo-soprano), John Upperton (tenor) Richard Webber (bass) and Matthew Rickard (organ/piano). The concert starts at 7.30pm and tickets are available from the HCS box office (01483 282267 / 07444 722318), from members or at the door. HCS welcomes new members of all voice parts. Spring term starts Monday 9th January 2023 at East Horsley Village Hall - 8pm. No audition is required. Come and try some free taster rehearsals. # Helping you and your pets live life to the full...

As a family owned and run group with an established local history, we are friendly, caring and approachable. We love looking after the local pet community, and take a great deal of pride in being able to make a difference to you and your pets.

Our Ripley practice offers consulting and minor procedures, with surgeries and diagnostics performed by the same team at our Cobham and (new) Pyrford Practices. Complimentary transport is available, if needed. Our hospital in Surbiton provides support for more complex cases, specialist and 24hr emergency services. Our hospital team provides 24hr care, so your pet will stay with us until they are better, and well enough to return home.

#### We offer a wide range of services including:

- Free 2nd Opinions
- Free Health Checks
- Affordable Healthcare Plans
- · Free advice and support in choosing a pet to join your family
- Headstart for puppies and kittens (everything you need up to 6 months, including free, unlimited consultations, for just £139)

For 25% off your first treatment please quote: VOOMATTERS25

Please see our website for more details, or pop in to meet our team. We'd love to see you!
